

KURITA ASIA RESEARCH GRANT 2019

Kurita Asia Research Grant (KARG)

Kurita Water and Environment Foundation (KWEF) supports scientists of Asian nationality who are conducting research in their own countries. The focal research area is water-related Environmental Science and Technology.

Notes :

*KARG is intended to support academic research.

*Research programs aimed primarily at generating business profit will not be adopted.

1. Research Subjects Supported

Research subjects related to water environment in the applicant's country can be applied. Examples of appropriate research subjects are; water/wastewater treatment, water quality analysis, sustainability of water environment sanitation, water ecosystem, agricultural water use, industrial wastewater treatment.

2. Research Period for 2019

From October 1st, 2019 to September 30th, 2020

3. Amount of grant

Maximum amount is 400,000 yen per an adopted research.

Notes :

*See details of grant money rule in KWEF web-site: http://www.kwef.or.jp/orgp/orgp_info.html.

For Applicants in Vietnam

1. Criteria for Applicants who can apply

Kurita Water and Environment Foundation (KWEF) supports scientists of Asian nationality who are conducting research in their own countries with following criteria.

- a) The applicant must reside in Vietnam.
- b) The applicant must conduct research at university, college, or associated institute in Vietnam (except private sectors) and should be master's degree candidate or higher.
- c) The applicant should be under 40 years of age or fresh graduate not more than 3 years after the graduation of PhD program or master program.

2. Application period

From April 1st, 2019 to May 15th, 2019, 24.00 (JAPAN standard time) or 22.00 (HANOI standard time).

3. Selection

Proposals from applicants will be evaluated by the Vietnam National Selection Committee where Prof. Nguyen Viet-Anh, Hanoi University of Civil Engineering, is the chairperson. After reviewed by the KWEF selection committee the adoption proposal will be approved by the KWEF Board of Directors. The President of KWEF will inform of the board's decision to each applicant by the end of August by letter.
